MEMORANDUM FOR: CHIEF, PROGRAM AND PLANNING COORDINATION STAFF

SUBJECT: Requirement for Survival Training

1. The Director of Training is under the necessity of deciding whether or not to preserve the Agency's capabilities for survival training, and has asked this Committee to report to him on any known requirement for such training.

2. Although the Area Divisions have been unable to substantiate any specific current need, there is some reason to believe that a potential requirement exists. We shall appreciate your assistance in exploring the sources of planning coordination, so that we may give the Director of Training as factual and definitive a report as possible.
